Lola Alice Easton

To Architects, Contractors and Builders.—

We take this opportunity of announcing to you that we are prepared to execute Wrought Iron and Steel Work for Buildings, Court Houses, Jails, &c., of every description, Having a large Engineering force, we are also prepared to calculate the STRAINS *and put in the sizes of materials required by Architects, Builders and Contractors in buildings of all kinds. We are prepared to furnish estimates and plans for Iron Roofs, Girders and Iron Buildings. Will be pleased to hear from all Architects, Builders and Contractors on work of this class, and will give their communications prompt and careful attention.*

Our Works are among the largest and most thoroughly equipped in the Country for doing first-class Wrought Iron Work. We make specialties of Sleeve Nuts, Weldless Eye Bars, upset Thread Ends, Steam Riveting, Etc., Etc
